Batterer Intervention Program Advisory Board

The Batterer Intervention Program (BIP) Certification Act allowed for the creation of rules and regulations for the certification of BIPs in Kansas. The current regulations went into effect in 2012 and can be found at:

<http://ag.ks.gov/docs/default-source/publications/batterer-intervention-program-regulations.pdf?sfvrsn=4>

The Office of the Attorney General will soon be making updates and revisions to these regulations and the BIP Standards in the near future. It is important to this Office that community stakeholders provide feedback and recommendations to inform potential changes. Please consider attending one of the following public forums to provide your feedback to members of the BIP Advisory Board and Attorney General's office staff.

WHO SHOULD ATTEND

- Batterer Intervention Program directors and staff
- District and Municipal Prosecutors
- Probation/Community Corrections/Parole officers
- Domestic Violence Victim Advocates
- Judges
- Department of Children and Families staff, or other child welfare agencies
- Attorneys
- Other Community Stakeholders
